

日本発、全世界へ!! スポーツロジーのさらなる発展のためにー

プログラムをご紹介します。

① Lecture Series "Recent Progresses in Sportology"

1. Yasuo Uchiyama, Prof, Dept of Cellular and Molecular Neuropathology, Juntendo Univ Graduate Sch of Medicine: **Autophagy in central nervous system neurons**
2. Seiki Konishi, Prof, Dept of Neurophysiology, Juntendo Univ Graduate Sch of Medicine: **Human brain mapping of autonomic functions**
3. Yumiko Motoi, Assoc Prof, Dept of Diagnosis, Prevention & Treatment of Dementia, Juntendo Univ Graduate Sch of Medicine: **Physical exercise and dementia**
4. Noriyuki Fuku, Assoc Prof, Juntendo Univ Graduate Sch of Health and Sports Science: **The sports gene affects lifestyle-related diseases ?**
5. Hiroyuki Daida, Prof, Dept of Cardiology, Juntendo Univ Graduate Sch of Medicine: **Current state and future directions of cardiac rehabilitation in Japan**
6. Muneaki Ishijima, Assoc Prof, Dept of Orthopaedics and Motor Organ, Juntendo Univ Graduate Sch of Medicine: **Sportology to prevent locomotive syndrome**
7. Yasuhiro Sawada, Director, Dept of Rehabilitation for the Movement Functions, Research Institute, National Rehabilitation Center for Persons with Disabilities: **Mechanical regulation and maintenance of homeostasis – Scientific basis for the health promotion by physical motility and exercise**
8. Hirotaka Watada, Prof, Dept of Metabolism & Endocrinology, Juntendo Univ Graduate Sch of Medicine: **Etiology of insulin resistance in non-obese subjects – Juntendo Univ Sportology Center Core Study -**
9. Toshimasa Yamauchi, Assoc Prof, Dept of Diabetes and Metabolic Diseases, Graduate Sch of Medicine, The University of Tokyo/Visiting Prof, Sportology Center, Juntendo Univ Graduate Sch of Medicine: **Development of a small-molecule AdipoR agonist AdipoRon as exercise mimetics**
10. Shigeki Aoki, Prof, Dept of Radiology, Juntendo Univ Graduate Sch of Medicine: **MR imaging for sportology: Non-invasive visualization of the brain and muscles**

② Special Lectures

1. Yasushi Miyasita, Prof, Juntendo Univ/The Univ of Tokyo: **Cutting edge of brain science and Sportology**
2. Masato Mizuno, Expert Member, IOC Sport and Environment Commission/Honorary mMember of Japanese Olympic Committee: **Expectation for sportology to the success of Tokyo Olympic and Paralympics 2020**

③ Presidential Address by Ryuzo Kawamori

④ Poster Presentation and Discussion

⑤ Get-together Party

一般演題（ポスター発表）募集中!!

期間：2015年4月10日（金）～6月30日（火）詳細は → [こちら](#)！
